Meal Applications

Do families have to complete a Free and Reduced-Price Meal Application? Yes, unless you have received a notification through the mail from your student's school with an approved status for this coming year. Please check letters carefully that all children are listed. If all children are not listed, please contact Debbie Robertson at 937-442-3114.

Do families have to complete a separate Free and Reduced Meal Application for each child? No, only one application is needed per household. Last year's status will only be good until October 2, 2019. Please return new applications as soon as possible. If no application is received, students will revert to regular lunch price effective October 3, 2019.

Bright Local is proud to have a Wellness Committee that has many fun projects for our students throughout the year. If you are interested in participating, please contact Debbie Robertson. Thank you

We offer white, chocolate and strawberry milk. Extra milk is .40. Students must pay for additional milk even if they are on the free or reduced program. We offer whole grain products. Condiments & carrots are available daily. [New National School Lunch Program Meal Pattern Information](#)
The National School Lunch Program (NSLP) offers 5 meal components daily. The daily components will consist of whole grains, meat/meat alternative, vegetable, fruit, and fluid milk. Each student may take all 5 components or as little as 3 components to receive a reimbursable meal. If a student chooses to take only 3 components one MUST be a fruit or a vegetable.
