***Thomas Ben – Children's Hunger Alliance***

Mrs. Robertson introduced Mr. Ben with Children's Hunger Alliance. Mr. Ben noted that their organization works with many schools who request their assistance in evaluation and making needed improvements in the areas of breakfast and lunch services. He noted that despite the challenges of COVID-19, he wished to Bright Local Schools who seem to always be ahead of the game when it comes to food service, and a lot of that can be contributed to the great food service staff at Bright Local Schools. He stated that it takes leadership, to get that system in place and functioning as it should, and that he had about a dozen schools in Ohio he wished to recognize for their hard work and efforts in feeding young people. He wanted to recognize Debbie and the entire food service staff, who despite the challenges the pandemic had on

school operations last March, she and her entire staff served about 59,000 meals to students away from these campuses. When school did resume, they also worked tirelessly to meet the requirements, and continued to provide meals not only to the students in the buildings, but also to the remote learners. Debbie and her staff are very innovative, and to bring excitement to the food service operations. Mr. Ben presented Debbie with a certificate of recognition for the efforts at Bright Local Schools in providing nutritious meals to their students.

## III. Administrative/Committee Reports

### Superintendent's Report:

#### A. Mr. Bick informed the board of the following items:

- The District will be once again participating and offering to families the Seamless Summer Food Program. We currently have about 230 families signed up so far. We will offer drive-thru service at the high school and elementary. Plus scheduling will be made for vans to deliver meals to designated pickup sites in the villages.
- Mr. Bick reported that he had received and accepted a quote from Joe Michael's to install the new fencing around the parking area next to the church and softball field. This will be a 6' rubber coated chain-link fence.
- Mr. Bick reported that he had contact Cotterman Roofing who conducted a free roof inspection on buildings, and had received an overall good report on both, except for some small repairs on the high school roof over the old gym. He also went with Dan to the Elementary school to inspect that roof as well, but so far has not heard if there were any issues there.

### Other Administrator/Committee Reports

#### A. Legislative Liaison Report:

- Mr. Cox reported that the senate had voted on HB1 budget legislation and is now with the house. We should expect some revisions in the final proposal, but most will not be related to the budget formula itself.

#### B. Southern Hills Career and Technology Center Report

- Mr. Cox reported that they are moving forward with plans for the graduation.

#### C. High School Principal report by Mr. Jason Iles:

- a. Excited about our Celebrations:

## H. RESOLUTION OF URGENT NECESSITY

The Bright Local Board of Education, having received certain funds from the Elementary and Secondary School Emergency Relief Fund (ESSER II) which may be used in part to make repairs and improvements to enable operation of schools so as to reduce risk of virus transmission and exposure to environmental health hazards and to support student health needs.

The Board has determined the necessity to upgrade its HVAC system to improve air quality and provide additional layer of protection against having to close the schools due to transmission of viruses such as COVID. However, the Board has been advised that due to adverse impacts from COVID to supply chains, the Board must move quickly to place an order for the necessary equipment so that it may obtain the same without causing extraordinary deals and additional costs on the project. In addition, the Board needs to have the project completed for the start of the next school year in order to maintain in-person learning and so as not to disrupt the learning environment.

Board Policy #6325 provides that noncompetitive proposals may be solicited from a single source where public exigency and emergency for the requirement will not permit a delay resulting from competitive solicitation. In addition, R.C. 3319.46 permits the Board to dispense with competitive bidding when an urgent necessity exists.

Therefore, the Board of Education of the Bright Local School District, after careful consideration and evaluation of the information before it, finds and determines that an urgent necessity exists with regard to the purchase of necessary HVAC equipment for the project which constitutes a public exigency that will not permit a delay resulting from competitive solicitation. The Board therefore resolved accordingly, that the Treasurer is hereby authorized to execute a purchase order for the equipment and services and the Board hereby ratifies this issuance of such a purchase order having occurred prior to the adoption of this Resolution.

See Resolution attached hereto.

## I. ESSER III Grant Funding

Bright Local School District has been allocated \$2,161,722.03 in the third round of ESSER funding. This is being allocated to us in 2 phases, the first we will have available \$1,441,148.02, and the second phase will add an additional \$720,574.01.

The available period to expend the funds is 3/01/2020 - 9/30/2023. At least 20% of the funds (\$432,344.40) must be budgeted for implementing evidence-based interventions aimed specifically at addressing learning loss. The remaining portion can be used for any of the following areas:

- Training on sanitizing and infectious disease control.
- Sanitizing supplies.
- Facility repairs to reduce the risk of virus transfer.
- improving indoor air quality.
- addressing needs of children from low-income families, with disabilities, English learners, homeless, foster care youth.

## J. Certified Audit Report - Fiscal Year Ending June 30, 2020

To accept the Certified Independent Audited Annual Cash-Basis Financial Statements and Report for the year ended June 30, 2020, dated March 22, 2021.

The audit and report were performed and prepared and certified by the Ohio Auditor of State's Office, Keith Faber. A complete copy of the Certified Report is attached, and is also available on their web- site ([www.ohioauditor.gov](http://www.ohioauditor.gov)), and via the audit search link on the District's Treasurer web-page ([www.blsd.us](http://www.blsd.us)) or in the District Treasurer's office upon request.

There was only one (1) reportable finding in the report, as Finding 2020-001 which was due to not filing GAAP Financial Statements in accordance with Ohio Revised Code Section 117.38. This code requires the School District to prepare its annual financial report in accordance with generally accepted accounting principles (GAAP) which is an accrual basis of accounting.

However, the District prepared its financial statements in accordance with the Other Comprehensive Basis of Accounting which is a more detailed and modified Cash Basis.

While the District can be fined \$750 by the state annually for not complying with the standard, the District Treasurer's professional opinion it that this amount is trivial in relation to the time and cost savings that District realizes through the personnel time saved not maintaining and preparing GAAP reporting, and the additional cost added to an audit having the GAAP Financials prepared and audited.

The following are the Management Letter citations or recommendations related to this audit:

- Noncompliance - 2 CFR 200.318(a) - The District's Federal Procurement Policy does not document procedures to be followed for each method of procurement as required by 2 CFR 200.320.
  - Action - Policy #6325 updated
- Recommendation - Financial Reporting - District posted Homestead and Rollback receipts which should be Intergovernmental classified as Taxes.
  - Action - Homestead and Rollback being properly coded to #3131 and #3132 Intergovernmental as required.
- Recommendation - Financial Reporting - Equity in Pooled Cash and Cash Equivalents and Undistributed Monies was overstated by \$4,553 for the Agency Fund.
  - Action - Adjusted accordingly for reporting purposes.
- Recommendation - Segregation of Duties - During their review the district's policy and procedures they noted the following duties were not fully segregated:
  - Payroll Administrative Assistant -
  - Non-Payroll Administrative Assistant
  - Building Secretaries
